

Expedition Communications Cellular Subscriber Agreement

Last Modified 11/29/2021

READ THIS AGREEMENT FULLY AND CAREFULLY BEFORE USING THE EXPEDITION COMMUNICATIONS CELLULAR SERVICE.

1. AGREEMENT

This is an agreement between Expedition Communications and you (“the Customer”) to provide Expedition Communications Cellular Service (“the Service”). By establishing an account and using the Service or equipment, you agree to be bound by this Agreement and to use the Service in compliance with the Expedition Communications Cellular Service Agreement used to order your Service.

2. TERM

The initial term of this agreement is the remainder of the month in which the Service is purchased as well as the full month following. At the conclusion of the initial term, the Service will automatically and continually renew on a month-to-month basis unless and until terminated as set forth in this agreement. The initial term of this agreement begins on your account billing start date. Your account billing start date is the date you purchased the Service. At the conclusion of each term, this Service will continue for an additional term of one month unless cancelled in writing (10) days prior to the expiration of the previous term. Expedition Communications reserves the right to change the price of the Service at any time after the initial term upon 30-day notice.

3. THE SERVICE

Expedition Communications provides the Service on a “best effort” standard and does not guarantee upload or download speeds. The Service speed may vary depending on local internet traffic, environmental factors, your geographic/topographic location during use, and other factors beyond the control of Expedition Communications.

1. FAIR ACCESS POLICY

Our unlimited, unthrottled Service is governed by a fair access policy. Any monthly data use over 500GB is considered outside a reasonable usage amount and is considered abuse of the cellular network. Any user surpassing 500GB is deemed to be breaching the fair access policy and may be removed from the Service as per the terms in section 5. It is the sole discretion of Expedition Communications to determine whether a breach of the Fair Access Policy warrants removal from the Service.

2. CANCELLATION

If you need to cancel your Expedition Communications Cellular Service after the expiration of your current term, you may send a written request to Expedition Communications Customer Service by fax to (757) 282-7702 or by email to

billing@Expedition Communications.com at least (10) days in advance of the term renewal. To process your cancellation request, we require that you provide the following: (1) Written request submitted on company letterhead (if a business) by your billing contact, (2) Your customer name as it appears on your order form, (3) Current phone number, (4) Reason for cancelling service, and (5) A minimum notice of cancellation of at least (10) days before the end of the current term.

After the completion of the current term, if cancelled in writing in accordance with the above portion of Section 4, cancellation will be effective at the end of the current billing cycle.

Expedition Communications may suspend or terminate this Agreement, your account, or your use of the Services if Expedition Communications, in its sole judgement, believes you have violated the Agreement. Termination notice will be by email or U.S. Mail to the address you provided for the Service. All notices to you shall be deemed to be received and effective on the first (1st) day following the date of the email or on the fourth (4th) day following the date of the mailing. If you are dissatisfied with the Service or any related terms, conditions, rules, policies, guidelines, or practices, your sole remedy is to discontinue using the Service and cancel your account.

2.1 TERMINATION OR SUSPENSION BY EXPEDITION COMMUNICATIONS

We may immediately terminate your account and this Subscriber Agreement in the event of any breach of this Subscriber Agreement by you or any user of your account. We may immediately terminate your account and this Subscriber Agreement in the event of any material change by our network provider which renders this Service unable to be continued. In the event where we either terminate or suspend your account and/or this Agreement for reasons other than breach of this Agreement or a material change by our network provider, we shall provide you a 30-day notice of such suspension or termination.

2.2 CONTINUATION OF OBLIGATIONS

Notwithstanding any cancellation or termination of this Subscriber Agreement or your account, or any suspension or termination of access to or use of the Service, you will remain responsible for any obligations accrued to the date of such action, including payment of any charges that may be due as a result of or in connection with such action(s). Your payment and other obligations under this Subscriber Agreement are not suspended or affected by a suspension of access to or use of the Service, in whole or in part, due to a violation (actual, threatened, or alleged) of this Subscriber Agreement or of any law or legal obligation by you or any user of your account.

3. RETURNS

The Customer may return the product(s) within (72) hours for a refund, less the shipping charges and activation fee. The product(s) must be returned in the original packaging. Expedition Communications will not accept returns after (72) hours.

4. ACCOUNT REQUIREMENTS

In order to receive the Service, you must be at least (18) years old and provide a valid credit card.

5. PAYMENT

All equipment and fees are paid for in advance. All Services are payable monthly in advance by credit card. Expedition Communications does not send bills or invoices by USPS mail.

If you fail to pay Expedition Communications any amounts due, your account will be subject to suspension or cancellation until you have paid all amounts due. Delinquent accounts may be suspended or cancelled at Expedition Communications' sole discretion; however, charges will continue to accrue until the account is cancelled, per this agreement. Expedition Communications may, at its discretion, bill an additional charge to reinstate a suspended account.

Expedition Communications may charge you for taxes and other applicable fees as required by law. Expedition Communications may offer, from time to time, certain promotions with different terms, activation fees, and monthly charges.

You must provide accurate billing information including legal name, address, telephone number, and credit card/billing information, and report all changes to this information immediately.

You are responsible for any charges to your account. Questions regarding charges to an account should be directed to Expedition Communications' Customer Service Department at 1-757-312-8300. All charges are considered valid unless disputed in writing within thirty (30) days of the billing date. Adjustments will not be made for charges that are not timely disputed as set forth in the preceding sentence.

Charges are billed to your credit card or debit card, as applicable, each month for the Service. Expedition Communications is not responsible for any charges or expenses (e.g., for overdrawn accounts, exceeding credit card limits, etc.) resulting from charges billed by Expedition Communications. You agree to maintain valid and current credit card information on file with Expedition Communications for a bank account(s) that is satisfactorily maintained to allow debit of the charges when due.

6. YOUR ACCOUNT AND SECURITY

You are solely responsible for use of the Service. You must keep your computer hardware secured in such a manner that no one else may access the Services through your account. You must notify Expedition Communications immediately upon discovering any unauthorized use of your account. Expedition Communications technical support may be

limited to Expedition Communications-provided services, software and/or unmodified hardware.
