

Expedition Communications Enterprise ISPSubscriber Agreement

Last Modified 11/29/2021

READ THIS AGREEMENT CAREFULLY BEFORE USING THE EXPEDITION
COMMUNICATIONS ENTERPRISE ISP SERVICE.

1. AGREEMENT

This is an agreement between Expedition Communications and you to provide Expedition Communications Enterprise ISP Service ("the Service"). By establishing an account, using the Service or equipment, you agree to be bound by this Agreement and to use the Service in compliance with the Expedition Communications Internet Service Agreement used to order your Expedition Communications ISP service.

2. TERM

The initial term of this agreement begins on your account billing start date and continues for the initial term indicated on the service order paperwork. Your account billing start date is the date your service is activated. At the conclusion of each term, this Agreement will renew for an additional term of the same duration unless cancelled in writing 30 day prior to the expiration of the previous term. Expedition Communications reserves the right to change the price of the Service at any time after the initial term upon 30 days notice. Prices for other Expedition Communications services may change at any time upon 30 days notice and will be posted on the Expedition Communications website at: www.expeditioncommunications.com. Current rates may also be obtained by calling 1-757-312-8300.

3. THE SERVICE

The Service includes a Dynamic Private IP address. Public Static IP Addresses are available for an extra charge. The Service speed can vary depending on Internet traffic, environmental, and other factors beyond the control of Expedition Communications. Expedition Communications provides the Service on a "best effort" standard and does not guarantee upload or download speeds, except as guaranteed by the subscriber's additional purchase of additional bandwidth Committed Information Rate (CIR), or by subscribers purchase of dedicated 1:1 satellite bandwidth.

The service is designed to provide access to the public internet, primarily for web browsing and email. Certain applications like VoIP, videoconferencing, and streaming media are designed to use a constant amount of bandwidth, and as a result consume more network resources than normal Internet access. By purchasing a minimum CIR (Committed Information Rate) in addition to the standard bandwidth, you will ensure the highest quality when using these applications. Use of these applications without CIR is a violation of the Terms of Service, and will result in additional charges or reduction of throughput levels. The service is not intended to be used to run constant bandwidth usage without purchasing CIR. In the event of a disaster, Expedition Communications reserves the right to deprioritize service for non-first response accounts.

4. CANCELLATION

If you need to cancel your Expedition Communications Enterprise ISP Service after the expiration of your current term, you may send a written request to Expedition Communications Customer Service by fax to (757) 282-7702 30 days in advance of the anniversary date. To process your cancellation request, we require that you provide the following: (1) Written request submitted on company letterhead (if a business) by your billing contact, (2) Your customer name as it appeared on your Order Form, (3) Current phone number, (4) Reason for canceling service, and (5) minimum notice of cancellation of 30 before the intended cancellation date.

Cancellation, downgrading or changing the Service before the end of the initial term of the agreement will result in an early termination fee. The early termination fee is equal to the monthly billing amount of the service plan your service was initiated on, multiplied by the number of whole or partial months remaining in the current term. After the completion of the current term, if cancelled in writing in accordance with the above portion of Section Four, cancellation will be effective at the end of the billing cycle following the billing cycle during which the notice of cancellation is received and processed, providing that any applicable cancellation fees have been paid by Customer. Cancellations can not be accepted and processed, and the service may not be canceled until any applicable cancellation fee has been paid.

Expedition Communications may suspend or terminate this Agreement, your account, or your use of the Services if Expedition Communications in its sole judgement believes you have violated the Agreement, or if you fail to pay any charges when due. Termination notice will be by email or

U.S. Mail to the address you provided for the Service. All notices to you shall be deemed to be received and effective on the first (1st) day following the date of the email or on the fourth (4th) day following the date of the mailing. If you are dissatisfied with the Service or any related terms, conditions, rules, policies, guidelines, or practices, your sole remedy is to discontinue using the Service, cancel your account, and pay the applicable cancellation fees that apply.

Sections 1, 4, 6, 10, and 11 of this Agreement shall survive termination of this Agreement.

4.1 TERMINATION OR SUSPENSION BY EXPEDITION COMMUNICATIONS.

We may immediately terminate your account and this Subscriber Agreement in the event of any breach of this Subscriber Agreement by you or any user of your account. In the event that we either terminate or suspend your account and or this Agreement for reasons other than breach of this Agreement we shall provide you 30 days notice of such suspension or termination.

4.2 CONTINUATION OF OBLIGATIONS.

Notwithstanding any cancellation or termination of this Subscriber Agreement or any your account, nor any suspension or termination of access to or use of the Service, you will remain responsible for any obligations accrued to the date of such action, including payment of any charges that may be due as a result of or in connection with such action(s). Your payment and other obligations under this Subscriber Agreement are not suspended or affected by a suspension of access to or use of the Service, in whole or in part, due to a violation (actual, threatened, or alleged) of this Subscriber Agreement or of any law or legal obligation by you or any user of your account.
